

BGHA TRYOUT POLICY

Spring tryouts for the highest categorized travel team in each division will occur in the spring of each year. Spring tryouts will provide an excellent opportunity for our teams to prepare for the fall season. The spring tryouts also allow the Association to assess its personnel which will afford accurate information for team classification. Spring tryouts will be governed by the following rules.

- b) The second team in each age category is to select as many players as possible from the tryouts. If required you may finalize your team at the fall finalization camp
- c) Tryouts are open to all players currently registered with the Brantford Girls Hockey Association and any other player who can provide a proof of insurance that they are currently registered with either a ringette or boys hockey association.
