To Whom It May Concern,

As we begin to plan for this hockey season, we acknowledge the important contribution that businesses have made to our association and the opportunity it has given all girls who play hockey in Brantford.

With the commitment from companies like yours in the Brant County and surrounding areas, we are able to assist in funding the growth and exposure of girl's hockey in our city. Your sponsorship funds will be used to provide a program which is aimed at building strength of character, responsibility, teamwork and recognition of community support. The funds will also be used for player development, ice time and new equipment.

We value and appreciate your support of this growing, exciting sport and hope that you will be able to provide sponsorship to the Brantford Girls' Hockey Association. Please find enclosed our sponsorship form outlining the options available for your consideration.

Thank you in advance; your help will greatly benefit our young female hockey players.

If you have any questions, please do not hesitate to call or email.

Sincerely,

**John Edgar, President
Brantford Girls Hockey Association
